

Appendix 4b: Chemical compliance monitoring

Codes within the tables for the reasons for non-compliance with DWSNZ:2000 are described below:

- M** Inadequate monitoring.
- T** Chemical transgression.
- L** Use of a non-registered laboratory.
- C** Inadequate corrective action.

Chemical compliance status of individual zones with respect to P2b determinand assignments

| Local Authority | Zone | Zone code | Determinand | Compliance status | | |
|----------------------------|------------------|-----------|--------------------------|-------------------|-----|----------|
| Northland | | | | | | |
| Far North District Council | Haruru Falls | PAI001HA | Pb | M T C | | |
