

Acknowledgements

This handbook draws on information from *Refugee Health and General Practice* (1998) published by the Victorian Foundation for Survivors of Torture, Melbourne, Australia, with medical content developed by Dr Fran Bramwell of Melbourne and funding support from the Western Melbourne Division of General Practice. We are indebted to the Foundation and Dr Bramwell for permission to draw on their publication in the development of this handbook.

The author and the Ministry of Health gratefully acknowledge the assistance of the following people and organisations in the preparation of this handbook:
