## CLINICAL SERVICES LETTER NO. 136

### TO MEDICAL PRACTITIONERS AND DENTISTS

(Copy to Proprietors of Retail Pharmacies)

Dear Sir/Madam,

#### LIST OF RECOGNISED SPECIALISTS FOR PURPOSES OF PART II, SOCIAL SECURITY ACT 1964

The following list of recognised specialists is a consolidation of all approvals notified since the issue of Clinical Services Letter No. 128. Advices received since that letter should now be disregarded.

The asterisk indicates those registered as specialists through the Medical Council, which, under the provisions of the Social Security Amendment Act 1973, is now the recognising body for specialists for purposes of the Social Security Act.

The intention is to issue this amending list three times annually and a completely fresh list each year.

Yours faithfully,

(A. W. S. Thompson)  
Director,

(A. H. Paul)  
Deputy Director,

Division of Clinical Services.
